

Everyone in the LCS community is invited to come and spend an amazing day of fun, games and food in the annual School Fête on Saturday, 30 March. This year's School Fête aims at raising funds for the school's library to purchase new books for the students.

For the past 4 months, parent volunteers and staff members of the school have been sharing many ideas, time and effort to put this day together.

The funds raised from the 2018 School Fête have been used to kick-start the new Parents & Friends Association to allow more events to be planned for the LCS community. Funds have also been allocated to the Eco-Committee to create environmental awareness workshops for students.

### **THEME FOR THIS YEAR**

In 2018, we reduced the waste of the LCS School Fête intended for landfill by 95%! We couldn't have done it without your participation: bravo!

In 2019, we have chosen the theme **Be Green!** to continue the school's efforts towards a goal of minimizing the environmental footprint of our school community.

We will once again have many stands that will be offering tasty refreshments with minimal packaging, awesome games that create as little waste as possible, second-hand books and uniforms to buy, and a recycling station for all waste disposal. Clean Oceans, the Eco-Partner for this event will be on-site to share their expertise on reducing the use of single-use plastic.

*Join us, come to enjoy yourself and **Be Green!***

### **BE GREEN FOR THE FÊTE**

We encourage you to bring your own reusable cup for drinks. Water at the dispenser will be free, please bring your water bottles.

Chatwells will be sponsoring the Crockery Station which will provide plates and cups for the food and drinks stalls. Please remember to return the plates, utensils and cups back to the Crockery Station after use.

Visit the Recycling Station (managed by Eco-Committee of LCS) and they will guide you on which bin to place the trash. They will help the school to reduce, reuse and recycle everything that is generated from the event.

## FOOD & BEVERAGES

Everyone's favourite Crepe Stall will be serving freshly made sweet crepes with batter made by our local French bakery Label Baguette! Be quick to get your BBQ Sausage Roll with fresh sausages from Peter's Meat, we know they sell out really fast every year. Try the all-new Paella recipe created by our school's very own chef. The Cafe stand will offer coffee from Nespresso as well as a selection of teas.

Parents from the Maternelle and Elementary have been invited to put on their chef hat and bring sweets and savoury bakes for the Bake Sale Stand. We look forward to a delectable spread of delicious cakes and pastries.

## ENTERTAINMENT

It's going to be non-stop fun throughout the day: the team is bringing again some all-time favourites such as the Pony Rides (*sponsored by Harcourts*) and the Dunk Tank. There will be fun attractions for all children, from PS - Primary to the older kids from Secondary onwards. Featured here are just a few of them.

The little ones will enjoy the Sea World Combo (*sponsored by YMCA*) with a slide on one side and the bouncy castle on the other. Suitable for all ages. The impressive Double Lane Screamer Slide (*sponsored by Canal +*) is guaranteed to add tons of excitement. Suitable for ages 1 to 99. An awesome 14m Obstacle Course (*sponsored by Decathlon*) will no doubt appeal to kids who want to race their friends through tunnels, over hills and through squeeze tubes.
